## § 278.9

(d) *Burned or mutilated coupons.* FNS may redeem burned or mutilated coupons only to the extent that the Bureau of Engraving and Printing of the United States Treasury Department can determine the value of the coupons. The firm presenting burned or mutilated coupons for redemption shall submit the coupons to the local FNS field office with a properly filled-out redemption certificate. In the section of the redemption certificate for entering the amount of coupons to be redeemed, an estimate of the value of the burned or mutilated coupons submitted for redemption shall be entered if the exact value of the coupons is unknown. The phrase "Deputy Administrator for Fiscal Management, FNS, USDA," should be entered in the section of the redemption certificate for entering the name and address of the insured financial institution or wholesaler.

(e) *Old series coupons.* FNS may redeem the old series food coupons issued in 50-cent, 2-dollar, and 5-dollar denominations when they are presented for redemption. Firms presenting the coupons for redemption shall submit the coupons to the local FNS field office with a properly completed redemption certificate and a written statement, signed by a representative of the firm, detailing the circumstances of the acceptance of the coupons.

(f) *Denials of claims brought by authorized firms against FNS.* If a claim brought by a firm against FNS under this section is denied in whole or in part, notification of this action shall be sent to the firm by using any delivery method as long as the method provides evidence of delivery. If the firm is aggrieved by this action, it may seek administrative review as provided in part 279.

(g) *Lost or stolen coupons.* FNS may not be held liable for claims from retail food stores, meal services, or wholesale food concerns for lost or stolen coupons.
